# Light Bulb Inventory

Due to the nature of the program, a light bulb inventory can not be kept current enough to merit an inventory list on this website. We do still carry light bulbs, and we are more than happy to check the inventory for availability upon request. When requesting light bulbs please include the diameter (T-5, T-8, T-12, household bulbs, etc.), the pin configuration (Single Pin, Double Pin, Recessed Double Pin), and the length needed.
